# Air Conditioner

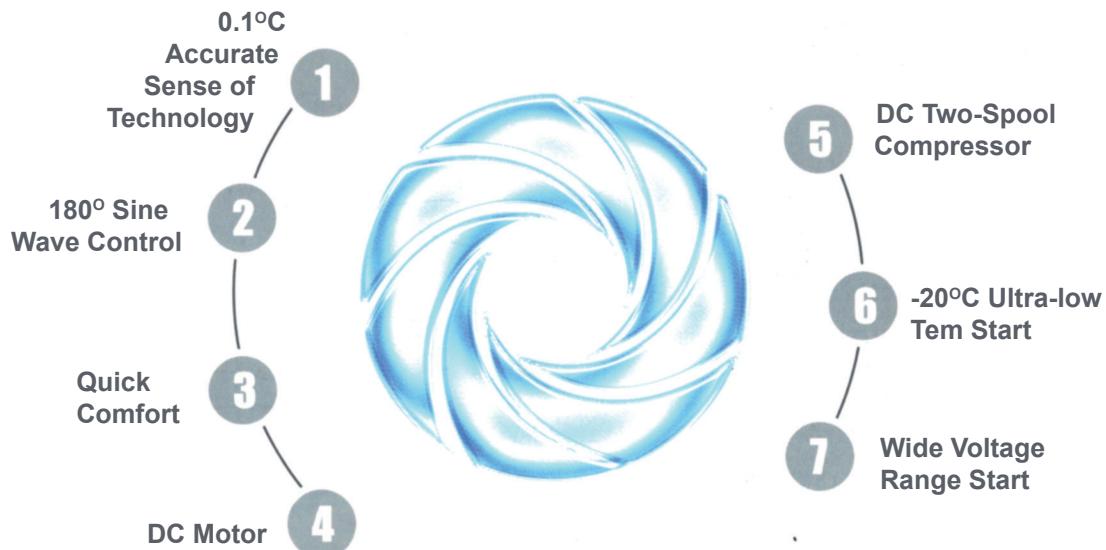

## DC-Inverter

Energy Saving Comfort

Wall Mount Split Series  
DC-Inverter

Available Size: 12000BTU / 18000BTU / 24000BTU

# Air Conditioner

## Wall mount type

Available Size:

9000BTU/12000BTU/ 18000BTU/24000BTU

Healthy and Fresh Air  
in every breath

# Air Conditioner

## Cassette

Available Size:

18000BTU/24000BTU

### 360° Air Supply

The 360° wide angle air supply and uniform airflow achieve long-lasting comfort in the room

### Low Noise Operation

With big air volume and low noise operation of the axial spiral blade in outdoor unit, the room is quiet and comfortable

### Efficient Waterproof Design

The special waterproof water tray is used to effectively prevent condensate water from leaking

### Large Dust Collection Area Design of filter

with the large dust collection area and folded structure design, the dust is difficult to attach on windward surface. Cleaning and maintenance become easy

### Perfectly Integrated with the decoration

Stealth installation makes it perfect integration with decoration and looks more noble and elegant

### Quite Running

Adopt shock absorber design and sound insulation material for the quiet running

# Wet & Dry Vacuum Cleaners

## Cope With Every Kind of Dirt

Whether dry, damp or wet, the right machine from HITECH will simply clean everything. Hitech's wet & dry vacuum cleaners provide more cleaning power. They come with convenient on-board tool storage, easy for application on various environments and surfaces.
